

Benchmarking Effectiveness and Impact across Innovation Agencies

TAFTIE Policy Forum, 20th January 2016

Benchmarking Innovation

- **Structural Network on Benchmarking**
 - 15 participating agencies
 - chaired by Netherlands Enterprise Agency
 - research by Technopolis
 - four types of instruments

- **Results so far...**
 - evaluation methods (incl. indicator selection)
 - experimental benchmark learning purposes
 - framework for common indicators/definitions
 - benchmark on standard indicators (in progress)
 - inspiration on more challenging work (connecting outcome level indicators to instrument level participation)
